STAFFORD

0420

Stafford combines the best of classic elements with a comfortable tone to create a bedroom and dining group that will look great in most homes. Stafford has a substantial scale without feeling overwhelming. From the Upholstered Panel Bed to the Trestle Table, each setting makes a beautiful statement.

The Rustic Cherry finish has wormholes, slight distressing, heavy grain patterns and a dry tone that create a relaxed palette. Shaped tops, soft edges and pencil-trimmed and breakfront drawer fronts add an updated take on traditional elements. Oil Rubbed Bronze knob hardware complete the look.

Each item is designed to meet modern needs and conveniences. Features such as felt-lined and cedar lined drawers, silver trays, built-in outlets and creative storage options add function to this group. Crafted of Poplar Solids and Rustic Cherry Veneers. Stafford will add style and value to the home for years to come.

Welcome to the life & style you love. Welcome to Stafford.

Crafted with Poplar Solids and Rustic Cherry Veneer in a Rustic Cherry finish with Oil Rubbed Bronze Hardware.
